In Today's Tense Geopolitical Climate—exacerbated by Unstable Global Governance, the Rollback of Climate Policies, the Weakening of Multilateral Alliances, and Persistent Economic Uncertainty, AWFT (A World for Travel) endeavors to bring together these Captains of Industry to Collectively discuss and collaborate to ensure a Coordinated Response.

Following New York Climate Week, where Governments and Corporations renewed Global Sustainability Commitments, A World For Travel marks the Next Step: from Declarations to Delivery....The Sixth Edition of "A World For Travel (AWFT)" came to Paris from October 30 to 31, 2025, under the Theme "Tourism Faces Uncertainty."

For Two Days, ministers, CEOs, Investors, Experts and Academics met at the Hôtel de l'Industrie, a Historic Symbol of French Innovation and Debate, to translate Vision into Measurable Transformation.... A Forum hosted by Rajan Datar from BBC, featuring Plenary Sessions, eynotes, and engaging One-On-One Conversations with Industry Leaders. The First Day will end with an Awards Dinner to recognize Five Companies for their Positive Impact.

- Leading Through Uncertainty:

- \* Tourism has always been a Barometer of the World's Stability — reflecting its Crises and its Recoveries. Today, it stands at a Crossroads.
- \* Political Realignments, Climate Imperatives, and the Acceleration of Artificial Intelligence are redrawing Global Systems faster than Policy or Business Models can adapt.
- \* In this New Era, tourism is called not only to endure Uncertainty but to lead through it — by embracing Transformation as Both Strategy and Responsibility.
- \* "Uncertainty tests not only Our Models but Our Values," said Christian Delom, Secretary General of A World For Travel. "The Challenge Now is to transform Instability into Innovation — to make Tourism not a Spectator of Global Change, but One of its Most Constructive Forces."

- The AWFT 2025 Agenda was Anchored in 12 Pressing Challenges & Transitions that shape the Sector:

- \* Redefining Human Capital and Finance: Empowering talent, funding the sustainable transition
- \* Accelerating the Energy Shift: Breaking free from fossil fuel dependency
- \* Harnessing AI and Digital Tools: Building a smarter, more ethical travel economy
- \* Leading Through Crisis: Embodying agile and courageous leadership
- \* Championing Diversity and Inclusion: Making sustainability truly universal
- \* Greening Major Events: Turning global gatherings into models of responsibility
- \* Rethinking Profitability: Navigating inflation and structural transitions
- \* Driving the Sustainable Transport Revolution: Rail, resilience, and rising demand
- \* Luxury and Legacy: Can excellence drive sustainability?
- \* Adapting Destinations to Climate Reality: Facing the frontlines
- \* Communicating with the Conscious Traveler: Engaging with purpose and integrity
- \* Empowering Generation Z: Educating tomorrow's architects of transformation

- Five Pillars of Transformation

The 2025 Forum was structured around Five Pillars of Transformation, defining a Roadmap for navigating Volatility while ensuring

Sustainability, Trust, and Competitiveness:

1. Governance & Resilience in a Fragmented World – building Foresight and Adaptability into Global Travel Governance.
2. Decarbonizing Mobility & Infrastructure – accelerating Low-Carbon Systems across Air, Sea, Rail, and Urban Mobility.
3. Leadership, Skills & Social Cohesion – nurturing Empathetic, Future-Ready Leadership and Re-Skilling the Workforce.
4. Innovation & Technology for Sustainability – applying AI, Data, and Scientific Research Ethically to create Resilience.
5. New Value Models: Regenerative and Luxury Travel – uniting Purpose and Profitability in a Renewed Vision of Value.

These Pillars anchor every Debate, connecting Policy, Investment, Innovation, and Human Development under One Collective Framework.

- A Global Summit for a Changing Era

Among the Leading Speakers, Serge Papin, Minister, Small and Medium-Sized Enterprises, Trade, Crafts, Tourism, and Purchasing Power, Republic of France, Republic of France Gabriel Attal, Former Prime Minister of France, was addressing Europe's Role in navigating Geopolitical Turbulence.

Thomas Gratoski of the Boston Consulting Group was exploring the "10 Forces Reshaping Global Business", while Palestinian Peacebuilder Aziz Abu Sarah, CEO of MEJDI Tours, was sharing how Tourism can foster Reconciliation and Understanding in Divided Regions. Laurence Monnoyer-Smith, Vice President, Sustainable Development, CNES, French National Space Agency was reminding us that the Path to a More Sustainable Travel industry is not only mapped on Earth's Surface, but also written in the Stars.
